

VIDA PARTICIPATION AGREEMENT

All participants registered in any service-learning program of Vida Volunteer, hereafter referred to as "Vida", must read and sign the following statement.

1. I, _____, do voluntarily and without reservation on behalf of myself, my heirs and my estate, release and discharge absolutely and forever, Vida, and any of its agents or program partners, and waive all claims, demands, of whatever nature for any injury, loss, damage, accident, delay, actions or cause of action, known or unknown, which I now have or may acquire in the future, irregularity or expense arising out of or directly or indirectly relating to my participation in a Vida program, and arising from the use of any vehicle or services, strikes, war, acts of terrorism, weather, sickness, quarantine, government, airline, buses, transporting company, firm, individual, or agency. I understand the terms of this Release and the consequences of it and acknowledge that I have not executed it under duress. THIS IS A RELEASE.

2. I agree to purchase International Travel and Health Insurance as required by Vida. I understand that failure to obtain this insurance may affect my ability to participate in this program and that Vida will not cover my medical expenses during the trip.

3. I grant Vida, or one of its agents, full authority to take whatever action they feel is warranted regarding my health and safety and that they may arrange medical treatment for me at my expense and that if deemed necessary by the Vida personnel and/or local medical authorities, I will be sent back to my home country at my own expense for further medical treatment.

4. I understand that I must take a major credit card with me in case of an emergency.

5. I will comply with all the required visas and international travel documents requested by authorities in destination and transit countries in which I travel, as well as their expiration dates. I understand that failing to do so may result in trip cancellation at my own expense.

6. I understand Vida will not assume any responsibility for, when by decision of the local Immigration authorities, my entry to the country of destination or transit is denied.

7. I agree to pay all fees corresponding to a replacement passport in the case that my passport is lost or stolen. This will also include transportation, lodging and food for myself and one Vida staff member.

8. I understand that Vida is not responsible for the loss or damage of any of my personal belongings.

9. If I cancel my trip for personal reasons or if I fail to comply with any international travel regulations (such as valid passport or entry visa to destination or transit country) and ask for a refund, I accept to comply with Vida's current [Cancellation Policy](#).

10. I understand this is a supervised program and agree to uphold individual and group standards set forth by Vida personnel in the [Vida Code of Conduct](#).

11. If my conduct is deemed incompatible with the interests and standards of the group and if my enrollment is TERMINATED, no refunds can be expected and returning to my home country is at my own expense. A verbal

warning will be provided prior to expulsion from the program. A written report will be provided upon request. At the discretion of Vida, participants' performance may be evaluated and such evaluation will be the basis for Vida response to any requests for recommendation by participants' school, future (graduate) school/employer.

12. I understand this is a participant program and an international humanitarian team effort serving the poor in remote locations and difficult circumstances which on occasion may include basic-needs-only housing, no hot water and travel over long distances, both land and water, in safe but basic transportation.

13. I grant Vida permission to reproduce photographs or movies of me taken during the period of time that I am participating in this program, including written statements I may make concerning this program.

16. I understand and agree that if the Vida trip that I have recently enrolled in is cancelled due to lack of minimum participants needed or for any other reason, that any and all payments that have been made to my trip will be applied to a future Vida trip or refunded back to me.

17. I agree to comply with Vida's protocol for late arrivals and/or early departures. I understand I will need to pay a \$200.00 fee if I schedule an arrival date later than the one posted on the website or if I schedule a departure date earlier than the one posted on the website. I shall make this payment prior to the start of my Vida trip.
