

VISION

Healthier communities

MISSION

To positively impact the quality of life in underserved communities while offering volunteers a life changing experience.

CORE VALUES

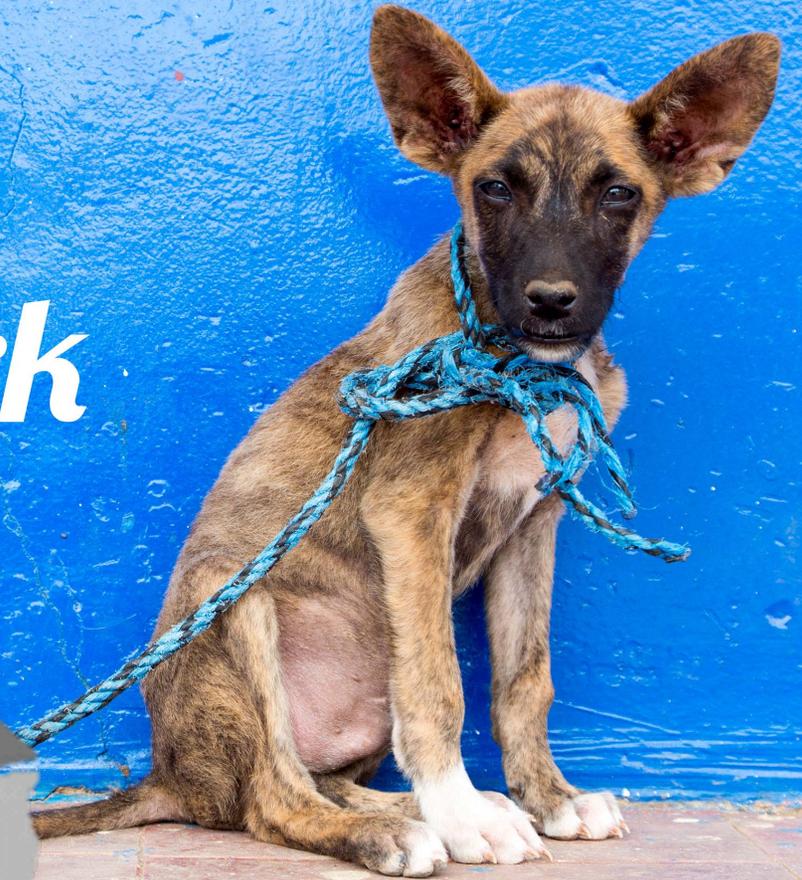

- Team work: working professionally to achieve our vision
- Caring: showing concern for our communities and taking action for their well-being.
- Accountability: being responsible for our actions and committed to honesty and transparency.
- Passion: loving what we do!
- Diversity: embracing and celebrating our differences.

“VIDA is a charity that brings humanity back into medicine and love back into the hearts of physicians. It shows pre med students from across the country that medicine is about more than science and treating diseases... “

– Carmen Aguirre, College of St.Scholastica -
